

We lost Viking Sportsmen funding. Little Latoka received \$5000 of fish in December. DNR does every other year or more if they have extra fish.

Greeters: Sue Orpen. She said 16 purchases were made the past year. 12 on Big Latoka and 4 on Little Latoka.

Lake Management Plan: Bruce Luehmann. He said 4 members are working on it. They are concentrating on 5 specific areas: AIS (aquatic invasive species) and fisheries; wildlife; to maintain contact with MNDOT; Effective Communications – Maintain website; watercraft safety. Jim Lingor did this plan to its present state in about 2010. The members are updating it now so it can be filed with the county. We need one for grants, etc. Watercraft safety – Have Fun!

Native Planting at N Access: Myrna Hunt. Need someone to take charge. Myrna's retiring. Identification labels are done. Prairie smoke is blooming already.

Winning Edge: Gave us flyers and order forms for t-shirts, sweatshirts, etc. Individuals need to do it directly with Winning Edge.

LaGrand Township: Dick Bromley. We have 3 new, younger maintenance men who are doing an excellent job. No major road construction around the lake this year.

Election of Board Members – 5 positions open. The slate was accepted. They are as follows: Harvey Kranzler (incumbent), Connie Reuss, Gary Deick, Paul Wheeler, and Chris Block.

Judy Korn made a motion to join MN Lakes and Rivers. Seconded. Approved.

July 4th boat parade – Munger's Bay 10:30 AM.

Annual Picnic – Firemans Lodge Rd SW – 11:30, Saturday, September 10th

Bruce made the motion to adjourn. Seconded by Craig Gleiden. Approved.

Respectfully submitted, Myrna Hunt
